

The Fast Cleaning Concept

Premium Dry Mop Lime

The Dry Mop Lime is ACT's best selling dry mop. The patented design of the mop gives the mop unique properties. These properties make the Dry Mop Lime highly efficient on most floors, especially flat floors and make the mop perfect for general cleaning. The mop is made of 100% ACTEX®, ACT's own microfibre material. ACTEX® has an unique ability to pick up and retain dust, pet hair and large dirt particles. ACTEX® works like a magnet attracting dirt and drawing it into the material by static electricity. ACTEX® is a durable material and has a 2 - years performance guarantee.

Material mop:

ACTEX® - 2-years performance guarantee.
Approved according to Öko-Tex Standard 100.
70% Polyester, 30% Polyamide

Material backing:

100% Polyester

How do you use the Premium Dry Mop?

The dry mop is always used completely dry, without water.
Dry mop before damp mopping for best possible results.

Where can you use the Premium Dry Mop Lime?

On all hard surfaces and coverings such as wood, tile, marble etc, with the exception of rough surfaces like concrete.

Be carefull when using the mop in areas where water spots are common bathrooms etc. If the mop hits a wet spot then the friction is increased and the mop might be hard to use.

Care:

Machine wash at up to max 92°C, 198°F.
Tumble dry at up to max 92°C, 198°F.
Never use chlorine or other bleaches.
Use an environmentally friendly detergent.
Never use softeners in the rinse water.
Wash separately because the products will otherwise gather lint from other fabrics.
