

The Fast Cleaning Concept

## Original Multi-Purpose Cleaning Cloth/Mitten

The Original Multi-Purpose Cleaning Cloth is the world's first cleaning product made in ultra-microfibre and was invented by ACT® 1990.

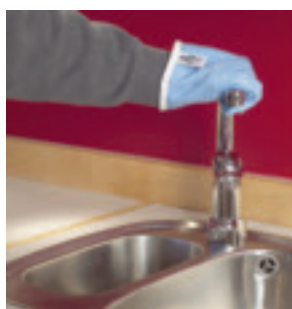

The Multi-Purpose Cleaning Cloth is the perfect for general cleaning. It can be used on all kinds of hard surfaces.

If you prefer, the Cleaning Cloth is also available as a Mitten which also makes it easier when cleaning taps, chair legs, handles, knobs, banisters etc.

The cloth/mitten is made of 100% ACTEX®, ACT's own microfibre material.

When the cloth is used dry it picks up and retain the smallest dust- and dirt particles by static electricity.

Damped with water the cloth absorbs dirt and grease by the capillary effect.

### Material:

ACTEX®: 2 – years performance guarantee for consumer use. 500 uses and washes for commercial use.

80% Polyester, 20 Polyamide.

Approved according to Öko-Tex Standard 100.

## How do you use the Original Cleaning Cloth?

1. Fold the cloth two or three times depending on the size.
2. Now you have at least eight clean surfaces to use.
3. Put your whole hand on the cloth and wipe with light, even sweeps. Never bunch the cloth up.
4. Wipe up spots and greasy dirt. When one side becomes soiled, fold to a new, clean side.
5. To remove stubborn dirt, spray extra water directly on the surfaces to be cleaned.

### Care:

Machine wash at up to max 92°C, 198°F.  
Tumble dry at up to max 92°C, 198°F.  
Never use chlorine or other bleaches.  
Use an environmentally friendly detergent.  
Never use softeners in the rinse water.  
Wash separately because the products will otherwise gather lint from other fabrics.
