Pumie[®]
 SCOURING STICK

Safe for Hands
 Contains no harsh detergents
 or other chemicals.
 No gloves or
 applicators needed.

**Cleans Porcelain, Ceramic Tile, Concrete, Masonry and Iron,
 Removes Lime • Rust • Stains • Paint**

Powers Out Deep Stains

Erases toilet rings in seconds. Cleans water, juice and acid stains, scale, rust and mineral deposits from urinals, sinks, tubs, showers and plumbing. Removes graffiti and paint from tile, concrete and masonry walls.

As a commercial kitchen aid takes off baked and rebaked food and grease carbon buildups in ovens, on grills and iron cookware.

Pumice Works When Chemicals Fail

Even the strongest acid formula cleaners fail to remove some stains.

Pumice speeds the action of chemicals or works alone. Completes the job where cleansers fail.

PUMIE[®] Scouring Stick is a 100% pure natural pumice bar that cleans entirely through abrasive action.

Easy to Use

Works best in the presence of a liquid. Wet then apply the flat edge of the bar on surface to be cleaned using back and forth strokes. Bar shapes to curved surfaces. Clean bar of residue under water faucet.

SPECIFICATIONS:

Bar size 6" x .75" x 1.25"
 Packed 12 bars to a folding display carton
 Individually sealed in plastic film
 6/12 packs to a master shipper.
